Tirana, Albania

## EDUCATION

- 2013 - 2016 BACHELOR OF SCIENCE, INTERNATIONAL AFFAIRS  
European University of Tirana, Albania
- 2010 - 2013 HIGH SCHOOL DIPLOMA  
Qemal Stafa High School Tirana, Albania

## EXPERIENCE

- OUTREACHY Intern, December 2016 - March 2017  
An intern at Mozilla Project, worked on "Build a Library of Inclusion, Best Practices and Case Studies"
- SPEAKER Mozilla Tech Speaker, 2016 - TODAY  
As part of Mozilla Tech Speakers I speak at conferences about interesting Mozilla topics, help facilitate Mozilla presences in various places and advocate about Mozilla's values.
- CO-ORGANIZER OSCAL, 2014 - TODAY  
Open Source Conference Albania aka OSCAL, is the flagship international open source conference in the balkans focused on FLOSS, Open Source, and decentralized technologies in general. Organized by Open Labs Albania: [www.oscal.openlabs.cc](http://www.oscal.openlabs.cc)
- REPRESENTATIVE Mozilla, 2013 - TODAY  
I started contributing to the Mozilla project in late 2014. As part of the local community at Open Labs, I lead grassroots efforts for Mozilla in Albania. I became Mozilla Rep in 2015.
- BOARD MEMBER Open Labs Albania, 2013 - TODAY  
Introduced to Open Labs, the local FLOSS community in Tirana, Albania in 2013, where I helped mobilizing various FLOSS projects, including Wikipedia and Mozilla. Currently President of the Executive Board
- AMBASSADOR SitePoint, Nov 2014 - TODAY  
Promoting and acting as a spokesperson for SitePoint, the web portal for web developers and designers devoted to improve better web practices on the internet. One of 3 Ambassadors in Albania [www.sitepoint.com](http://www.sitepoint.com)
